The Bedrooms

The first floor consists of three bedrooms and three bathrooms, two of them ensuite. Each of these rooms offers considerable inbuilt storage space.

The second floor is entirely occupied by a spacious and stylish principal bedroom suite. It includes a bedroom, a walk-in wardrobe and a well-proportioned bathroom with shower and bath. In addition, floor-to-ceiling windows and French doors lead out onto the terrace.

The Design

This brand new house has been finished to the highest standard and includes a 10 year new build warranty. It includes Lutron lighting, lift to all floors, inbuilt security system, bespoke joinery and Italian marble in the bathrooms.

Designed and decorated in a sophisticated contemporary style, the property's underfloor heating and air conditioning gives added comfort throughout.

Outdoor Spaces & The Neighbourhood

The house includes a south-facing roof terrace with wooden decking and ample space for outdoor seating. It also features a garage with a 22kW (three-phase) fast home car charger in each garage, accessed from the ground floor.

Bridstow Place is a quiet address lined with charming, cottage-like houses. From here, the many restaurants and shops of Westbourne Grove are close, as well as the fashionable streets of Notting Hill. In addition, Royal Oak and Notting Hill Gate stations are both within walking distance.
